

What Do I Actually Know?

Use this when your brain wrote the rest of the story really fast.

WHAT HAPPENED

Write only what you directly know happened.

WHAT MY BRAIN ADDED

A guess, meaning, prediction, or explanation. It may be possible. It is still not the same as a fact.

WHAT I DON'T KNOW YET

Leave room for information you do not have yet.

MISSY SAYS

My guess might turn out to be right. Right now it is still a guess.
